# Equivalent Fraction Puzzles

4th  
Grade

# Equivalent Fraction Puzzles

**Materials: Equivalent Fraction Puzzle pieces**

**Directions:**

- 1. Mix up all the puzzle pieces.**
- 2. Try to match up all the puzzle pieces. Each puzzle fits together with 4 total pieces. In each puzzle there are 2 fractions and 2 fraction pictures. All of the pieces must be equivalent. There are a total of 8 puzzles.**

**Answer Key:**
